

## SELECTIONS FOR SECTION 48C MANUFACTURING TAX CREDIT AS OF MARCH 4, 2010

| Company Name                       | Technology Area                | Facility State |
|------------------------------------|--------------------------------|----------------|
| Sumco Phoenix                      | Solar Components and Materials | AZ             |
| Suntech                            | Solar CSI                      | AZ             |
| Yingli Green Energy Americas       | Solar CSI                      | AZ             |
| Rioglass Solar Inc                 | Solar CSP                      | AZ             |
| Saint Gobain Solar Glass NA        | Solar CSP                      | AZ             |
| Amonix, Inc                        | Solar PV                       | AZ             |
| CaliSolar, Inc.                    | Solar CSI                      | CA             |
| FAFCO, INC.                        | Solar Hot Water                | CA             |
| SunEarth, Inc.                     | Solar Hot Water                | CA             |
| Miasole                            | Solar PV                       | CA             |
| Miasole                            | Solar PV                       | CA             |
| Nanosolar                          | Solar PV                       | CA             |
| Stion Corporation                  | Solar PV                       | CA             |
| Advanced Energy Industries, Inc.   | Solar Components and Materials | CO             |
| ReflecTech, Inc.                   | Solar CSP                      | CO             |
| Abound Solar, Inc.                 | Solar PV                       | CO             |
| STR, Inc.                          | Solar PV                       | CT             |
| Suniva, Inc.                       | Solar CSI                      | GA             |
| Guardian Industries Corp           | Solar CSP                      | IA             |
| Guardian Automotive Products Inc.  | Solar CSP                      | IN             |
| Guardian Automotive Products Inc.  | Solar CSP                      | IN             |
| Guardian Automotive Products, Inc. | Solar CSP                      | IN             |
| GreenRay, Inc.                     | Solar Components and Materials | MA             |
| Konarka                            | Solar PV                       | MA             |
| BP Solar International Inc.        | Solar PV                       | MD             |
| Hemlock Semiconductor Corp.        | Solar Components and Materials | MI             |
| Guardian Industries Corp           | Solar CSP                      | MI             |
| Stirling Energy Systems, Inc       | Solar CSP                      | MI             |
| Dow Corning - Solar Silane         | Solar PV                       | MI             |
| The Dow Chemical Company           | Solar PV                       | MI             |
| Spire Semiconductor, LLC           | Solar PV                       | NH             |
| Applied Photovoltaics, LLC         | Solar PV                       | NJ             |
| Sumco Phoenix                      | Solar Components and Materials | NM             |
| Amonix, Inc                        | Solar PV                       | NV             |
| Stirling Energy Systems, Inc       | Solar CSP                      | NY             |
| E.I. du Pont de Nemours and Co.    | Solar PV                       | OH             |
| First Solar, Inc.                  | Solar PV                       | OH             |
| The Dow Chemical Company           | Solar PV                       | OH             |
| Xunlight Corporation               | Solar PV                       | OH             |
| SolarWorld Industries America Inc. | Solar Components and Materials | OR             |
| Centrosolar Oregon LLC             | Solar CSI                      | OR             |
| Pacific Metal Fab, LLC             | Solar Hot Water                | OR             |
| Solaicx                            | Solar PV                       | OR             |
| Solar Power Industries, Inc.       | Solar CSI                      | PA             |

|                                      |                                |           |
|--------------------------------------|--------------------------------|-----------|
