

## Diversity Empowers Solar Business

November 13th, 2018 | Chicago, Illinois

### Sponsorship Opportunities

\*Co-located with Solar Power Midwest and Greenbuild

SEIA Women's Empowerment Summit aims to educate, facilitate connections, and provide thought leadership in the solar industry. This Summit's theme is Diversity Empowers Solar Business. Diverse leadership and teams make better decisions and grow companies' revenue. We'll cover practical topics, tools and tips that will prepare attendees to implement positive changes towards diversity and inclusion at their companies. This event will attract over 100 leading solar professionals.

SEIA offers targeted sponsorship opportunities that serve to add value to your brand, increase customers' interest in your company, and demonstrate your leadership in the solar industry. For more information please contact our team at [sponsorships@seia.org](mailto:sponsorships@seia.org).
