

SEIA Codes & Standards Symposium

April 24, 2019 | San Diego, CA

Co-located with California Solar Power Expo

Sponsorship Opportunities

The 3rd annual SEIA Codes & Standards Symposium is designed by and for solar codes and standards professionals and their colleagues in research, design, engineering, regulatory affairs and marketing. This Symposium covers up-to-date, impactful issues that have the potential to drive further expansion of solar as well as those issues that have the potential to constrain solar growth and how to best address those challenges. This event will attract over 100 leading industry professionals.

SEIA is proud to partner with leading companies to promote and advance the use of solar energy. **Demonstrate your company's solar leadership by becoming a sponsor of SEIA Codes & Standards Symposium!**
