

Dear \_\_\_\_\_,

Hope you're well. If you haven't seen the Leadership Roundtable: Empowering Cities to Accelerate Rooftop Solar Installations Across America, on how SolarAPP+ accelerates clean energy deployment by speeding up the permit process and reducing barriers for solar energy, presented by the Department of Energy, I'd highly recommend it.

The recorded webinar is now available [here](#).

The SolarAPP+ team invites you to join the [Energy Secretary's Challenge](#) and register for an account at <https://solarapp.nrel.gov/register>.

In the meantime, we encourage you to refer to these resources for more information on SolarAPP+, its benefits, and the adoption process:

- [SolarAPP+ for Jurisdictions Flyer](#): In the attached document, we outline the product features of SolarAPP+, as well as the benefits it can bring to a jurisdiction.
- [Two Minute Explainer Video](#): This video gives a brief overview of SolarAPP+, its benefits, and how it works.
- [Pre-Recorded Demonstration](#): This video provides a walkthrough of submitting a project into SolarAPP+.
- [Recent Announcements](#):
  - 7/15/2021 - [DOE Kicks Off 'Summer of Solar 2021' With Tool That Fast-Tracks Solar Power For Communities Nationwide](#)

And in case you missed it, check out the recording for [Streamline Solar Permitting Using the No-cost SolarAPP+ Online Tool](#), presented by the National League of Cities and US Department of Energy.

Of course, you can learn more about everything SolarAPP+ at their [website](#). Please reach out to Stephen Pope, SolarAPP+ Outreach Manager with your questions. His role is to coordinate with AHJ's and the SolarAPP+ team of experts. His contact information is listed below. Make sure you register, so his team has a clearer picture of your situation.

Thanks again for allowing me to get you some information on this valuable new tool. I hope you'll be able to review the information and start the evaluation process. This tool is really starting to help other AHJ's around the country and I hope it'll help you out as well.

Sincerely,

\_\_\_\_\_
