

Community solar is one of the fastest growing sectors in the clean energy economy. In partnership with the **Coalition for Community Solar Access (CCSA)** and **RE+ Events** (formerly Solar Power Events), the **Community Solar Power Summit** brings together leading community solar businesses, utilities, non-profits, and policymakers for an exclusive two day event — featuring in-depth conversations with national community solar thought leaders from CCSA, the **Solar Energy Industries Association (SEIA)**, sessions on current trends and policies, networking opportunities, and solution providers.

JANUARY 18-19, 2023 | SAN DIEGO, CA
