

SEIA Codes & Standards Symposium

May 13, 2020
San Diego, CA

The 4th annual SEIA Codes & Standards Symposium is co-located with Solar, Storage and Smart Energy Expo Southern California. The event is designed by and for solar codes and standards professionals and their colleagues in research, design, engineering, regulatory affairs and marketing. This Symposium covers up-to-date, impactful issues that have the potential to drive further expansion of solar as well as those issues that have the potential to constrain solar growth and how to best address those challenges.
