

SEIA Cybersecurity Summit

May 19, 2020 (Tentative Date)
Washington, DC

SEIA's Cybersecurity Summit is the first executive-level meeting for the solar industry to discuss the critical issue of cybersecurity. This invitation-only event is a meeting of our Board-level leaders across industry segments to assess risks and discuss how to mitigate these risks as solar continues to penetrate the grid in record numbers. SEIA will bring in high-level cybersecurity experts for a day of education and discussions on how to keep solar assets protected in the Solar+ Decade.
