

# SEIA Cybersecurity Summit

May 19, 2020  
Washington, DC

SEIA Cybersecurity Summit is an executive-level meeting for the solar industry to discuss the critical issue of cybersecurity. This invitation-only event is a meeting of our Board-level leaders across industry segments to assess the risks we are facing and discuss how to mitigate risks inherent to our technology as solar continues to penetrate the grid in record numbers. SEIA will bring in high-level cybersecurity experts for a day of education and collaborative discussions on a path forward for keeping solar assets protected in the Solar+ Decade.
