

# Solar+ Policy Summit

December 2020  
Washington, DC

The Solar+ Policy Summit is the premier gathering for examining federal and state policy issues and how they inform market opportunities and challenges as we enter the Solar+ Decade. Featuring engaging discussions with industry experts, thought leaders and policymakers, the forum offers crucial insights into ongoing political, social, environmental and economic challenges that we must overcome to make solar a leading source of new power generation in the 2020s.
