

Solar+ Manufacturing Summit

December 2, 2020
Albany, NY

The 2nd annual Solar+ Manufacturing Summit will Solar and Energy Storage New York. The Summit bring together leaders in manufacturing to discuss pathways and policies for building a strong domestic supply chain for solar, storage and other clean energy technologies. Featuring experts from industry, federal and state government, the academic community, and research institutions, the Summit will serve as an incubator for ideas such as policy mechanisms and market structures to increase manufacturing for solar products and adjacent technologies in the U.S.
