**Subject:** Tax Extenders Markup

## Update

Dear Federal Affairs Committee,

Today, the Senate Finance Committee announced it will hold a markup on a tax extenders package tomorrow, August 2, at 10 am. Please see the [Committee notice](#) for more information on the markup.

Below you will find the Joint Committee on Taxation's description of the legislation and the accompanying revenue table.

## [Solar Power International](#)

**September 10, 2012 (All day) to September 13, 2012 (All day)**

Solar Power International (SPI) is North America's premier business-to-business event for professionals in solar energy and related fields. Unlike other solar conferences, all proceeds from SPI support the expansion of the U.S. solar energy market through SEIA's year-round research, education, and advocacy efforts.

- 21,000 professionals from 125+ countries attend.
- One of five attendees comes from outside the United States.
- Over 1,200 companies from all vertical markets in the solar power spectrum exhibit on a tradeshow floor of more than 340,000 net square feet.
- The conference program brings in notable industry experts to present about 40 general and concurrent sessions annually.

## [PV America East](#)

**January 29, 2013 (All day) to January 31, 2013 (All day)**

Demand for photovoltaic (PV) technology is growing in leaps and bounds, and PV America East is the regional trade show and conference designed to help your business grow with it. PV America East delivers PV-focused
